

5th International Conference on Electrical, Computer and Energy Technologies (ICECET 2025)

13/02/2025

ACCEPTANCE LETTER

Dear *Nguyen Phuc Tran, Brigitte Jaumard*, Oscar Delgado,*

Thank you for your submission to the ICECET 2025 conference. We are pleased to inform you that your paper entitled “**ID-218: Energy-Aware LLMs: A step towards sustainable AI for downstream applications**” has been accepted as a full paper for **oral presentation** by the conference committee of *International Conference on Electrical, Computer, and Energy Technologies (ICECET 2025)*. The event will take place in Paris, France on 3-6 July 2025 **online** and **physically**.

We strictly follow “no podium, no paper” policy and only the papers that are presented at the conference will be submitted to IEEE Explore for publication. **At least one author** of an accepted paper must register (as a full participant) and participate in ICECET 2025 online or physically for the paper to be included in the proceedings. The registration and payment details will be shared soon.

According to the conference regulations, only those papers which have been duly registered and presented on the conference day are considered for submission to IEEE Explore. The conference program will be communicated in due course.

We look forward to seeing you for a fruitful research and innovation event and for a great time in the wonderful environment of Paris.

Yours sincerely,

Prof. Dr. Camel Tanougast
University of Lorraine, France
